Dear Parents,

Updated Guidelines on Reporting COVID-19 Testing and Quarantine Measures

With the recent development of COVID-19, the School would like to draw your attention to the following guidelines for various situations.

	Situation	What to do
1.	The student is a confirmed or preliminarily tested positive case of COVID-19.	Parents are required to inform class teachers at the earliest possible time. Also, the student should not go to school. She should follow the Government's requirements to undergo COVID-19 testing or quarantine accordingly. She can only return to school when her test result is negative.
2.	The student is classified as a close contact person of a confirmed case of COVID-19 by the CHP.	
3.	The premises where the student lives have been categorized as compulsory testing specified place.	
4.	The student who has stayed in the compulsory testing specified place for more than 2 hours received the CHP or "LeaveHomeSafe" COVID-19 exposure notification to undergo COVID-19 testing.	
5.	Household members who live with the student (including domestic helpers) have contacts with people of confirmed cases and are categorized by the Government as close contact persons.	Parents should inform class teachers of the situation. Despite students of these categories may not require to take the compulsory COVID-19 testing, for the safety and health of all members of the school, kindly arrange and take your daughter to do the testing. She can return to school when her test result is negative.
6.	Household members (including domestic helpers) who live with the student have visited premises with confirmed cases and are required to undergo compulsory testing in accordance with the arrangement by the Government (they are not categorized as close contact persons).	

If you have any enquiries, kindly contact the class teachers.

Thank you very much for your attention.

Yours sincerely,

Mrs. Cherry Chan
Principal

2019 冠狀病毒病測試及檢疫措施通報更新指引

因應 2019 冠狀病毒病最新的發展情況，敬希留意以下各類情況的指引：

	各類情況	家長處理方法
1.	學生確診或初步確診 2019 冠狀病毒病。	家長須即時致電學校，通知班主任。另外，有關學生不應回校，並須按政府指引進行檢測或隔離。學生須按政府指引完成全部檢疫程序，包括檢測結果正常（屬陰性）方可回校上課。
2.	學生被衛生防護中心列為 2019 冠狀病毒病確診個案的密切接觸者。	
3.	學生所居住的大廈須進行強制檢測。	
4.	學生曾逗留於納入強制檢測公告的地方超過兩小時，並接獲衛生防護中心或「安心出行」通知須進行強制檢測。	
5.	與學生同住的任何人士（包括家傭）曾與 2019 冠狀病毒病確診者接觸及被列為密切接觸者。	家長須致電學校，通知班主任。雖然此兩類情況的學生，未必需要接受強制檢測，但為了全體師生的安全，家長應自行安排學生接受檢測。學生檢測結果為正常（屬陰性），方可回校上課。
6.	與學生同住的任何人士（包括家傭）曾到訪有確診 2019 冠狀病毒病個案的地點，須按政府指引進行檢測（同住的任何人士並非被列為密切接觸者）。	

如有垂詢，請聯絡班主任。

此致
貴家長

校長陳黃碧瑜謹啟
