Dear Parents,

Online Learning and Assignments for S1-S2 (18 May – 5 Jun)

Please be informed that online learning by live lessons will be continued from 18 May to 26 May. From 27 May to 5 Jun when classes are resumed for S3 to S5, teaching for S1 and S2 students will be conducted through teaching videos instead of live lessons via Zoom. Students should watch the videos during the time scheduled for live lessons. They should also follow closely the instructions given by subject teachers and submit the assignments on time.

A list of E-learning tasks with topics, learning contents and assignments for 18 May to 5 Jun has been attached for your reference.

Should you have any queries, please contact concerned subject teacher or class teacher. Thank you for your attention.

Yours sincerely,

Mrs. Cherry Chan
Principal
