Dear Parents,

### **Maintaining Preventive Measures against COVID-19 during Easter Holiday**

Given that the epidemic situation of COVID-19 remains unstable around the world, parents are kindly requested to avoid taking your daughter for all non-essential trips outside Hong Kong during the Easter Holiday.

You are kindly requested to complete a **travel history and health status declaration form** for your daughter before school resumes after the holiday. The school will remind you again by SMS to complete the online form when the completion date draws near.

Level	Completion Date	Path	QR code
S1-S5	9 April 2021	<a href="https://bit.ly/3w1UsJw">https://bit.ly/3w1UsJw</a>	

The School will continue to put in place the preventive measures stipulated in the "Health Protection Measures for Schools" issued and updated from time to time by the EDB and the "Health Advice to Schools for the Prevention of COVID-19" issued by the Centre for Health Protection. Such measures include wearing masks all the time within school campuses, maintaining appropriate social distances, measuring temperatures of teachers and students at school entrances, etc. They are to safeguard the health of the teachers and students. We will always keep the school environment clean and hygienic.

All students will have to put on summer uniform when school resumes on 12 April 2021. Kindly make sure that her uniform meets the requirements stated in Student Handbook.

If you have any further enquiries, please approach your daughter's class teachers. Thank you for your attention.

Yours sincerely,

  
Mrs. Cherry Chan  
Principal
