Dear Parents,

Invitation to "Accelerated Learner" Programme 2021-2022

My congratulations to you that your daughter, _____, from Class ____ (Class No. : ____), has performed well last academic year (2020-21). Because of this, she is invited to join the "Accelerated Learner (AL)" programme this school year, 2021-22.

This programme has been established by our school's Gifted Education Committee with the aim of providing relevant student development programmes for students with outstanding academic performance to further explore and realize their potential and talents.

Throughout the year, participants will be encouraged to join a number of pull-out programmes, external workshops and competitions. Through participating in outreach programmes launched by tertiary institutions and competitions held by reputable organizations, students can further widen their horizons and raise their zest in learning. To help them to be better equipped for the challenges ahead, students are strongly encouraged to participate in these activities actively.

Each member is required to take part in **at least two** of the above-mentioned activities in the academic year of 2021-22. To ensure students' safety, the school would select suitable activities for students depending on the development of the COVID-19 pandemic. Although our school would provide subsidies to participating students, they might be asked to pay for the programmes.

Please complete the reply slip to give your consent to your daughter joining the "Accelerated Learner" programme and return it to the teacher-in-charge Ms. W.C. Cheung on or before 20 September, 2021.

We are looking forward to seeing your daughter in "Accelerated Learner" programme this year. Thank you for your kind attention.

Yours sincerely,

Mrs. Cherry Chan
Principal
